

52¢

How would YOU like a raise like this?

—and for 34 Years Work

THAT is the kind of increase in salary the minister has received. His living expenses have risen just as fast and as far as yours.

But he is paid on the average just 52 cents more per church member than he was paid 34 years ago.

#### The Minister Never Fails You

Every officer of the Government with a war message to deliver appealed to the ministers first of all.

But 80% of the ministers receive less income than government economists figure as a minimum for the support of an average family.

When hospitals need money they enlist the support of the ministers—and receive it.

But when sickness visits the minister or the members of his family they must be treated in a charity ward. His pay is less than a day laborer's.

8 out of every 10 ministers receive less than \$20 a week—about half the pay of a mechanic.

#### We Pay Him Half the Wages of a Mechanic

And of these pitifully inadequate salaries, how much do you contribute? Nothing if you are outside the church; an average of less than 3c a day if you are a church member.

All of us share in the benefits of Christian ministers to the community. They marry us; bury us; baptize our children; visit us when we are sick. In their hands is the spiritual training of the youth.

#### We Are All Profiteers at Their Expense

Part of the Interchurch World program is this—a living wage for every minister of Jesus Christ; an efficient plant, and a chance to do a big man's job.

If you want better preachers, help to pay the preachers better. It's the best investment for your community—and for your children—that you can ever make.

Obituary

Little Jane Elizabeth Turner passed out of this world to live with her Heavenly Father on Wednesday morning, April 7, age 1 year, 9 months and 23 days. She was the sunshine of the home, so fine and sweet and lovable. A little flower that budged on earth to blossom in Heaven. We loved her so much, but the one who said "Suffer little children to come unto me and forbid them not," loved her better than we. He loved her so much that He gave His life for her. If we could speak with little Jane to day she would say, "Don't weep for me mother and father for I am so happy. I cannot come back to you but you may come to me some day when your life's work is done and I shall be waiting to welcome you." The All Wise Father gave baby Jane to us for just a short time and we would not blot those two bright, happy years out of our memories for the world. Her little hands will reach out to us and guide our feet into the narrow path that leads to the better land. We submit to His will "who doeth all things well."

A precious one from us is gone. A voice we loved is stilled. A place is vacant in our home which never can be filled.—Mrs. T. B. Ritzinger.

How Diphtheria is Contracted.

One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth was that the cold had simply left the little one particularly susceptible to the wandering diphtheria germ. If your child has a cold when diphtheria is prevalent you should take him out of school and keep him off the street until fully recovered, as there is a hundred times more danger of his taking diphtheria when he has a cold. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted. Adv.

E. O. Skelton was in Springfield during the week on account of the illness of his father.

How is Your Complexion?

A woman should grow more beautiful as she grows older and she will with due regard to baths, diet and exercise, and by keeping her liver and bowels in good working order. If you are haggard and yellow, your eyes losing their lustre and whites becoming yellowish, your flesh flabby, it may be due to indigestion or to a sluggish liver. Chamberlain's Tablets correct these conditions. Adv.
